GOODWAY - GS-8600

Manufacturer: **GOODWAY**

Description:

GS-8000
With leading technologies and high quality components, the GS-8000 series heavy duty CNC turning center combines a super rigidity box way bed with extra large diameter servo indexing turret and powerful geared spindle structure to provide you with efficient machining performance for large diameter and extra long work pieces. Meanwhile, with the optional live tooling turret and Y-axis, the GS-8000 series can easily accomplish multi-tasking operations for large and complex work pieces to fulfill various machining needs for today and tomorrow.
