GOODWAY - GA-3600/W24

Manufacturer: **GOODWAY**

Type: **GA-3600/W24**

Description:

GA-3600/W24
Packed with industry leading technology and top quality components, GOODWAY GA-3600/W24 combines strong constructions, customizable integrated interface for chucks, and efficient chip disposal capabilities to bring you the top choice of aluminum wheel turning center in the market. With the advantages of the load / unload feature, GA-3600/W24 series can rapidly replace cam arms and ring locators to complete 1st and 2nd operations all at once. You can combine 2 sets GA-3600/W24 machines with a machining center and robot arm to form a high performance production line that is sure to meet your turning applications for aluminum wheels of today and tomorrow.
